

# CYPRUS IN A DAY

## WEDNESDAY

(BIRTHPLACE OF APHRODITE, TROODOS MOUNTAINS,  
NICOSIA & LARNACA)

We will take the southern coastal road making a photo stop at the Birthplace of Aphrodite before continuing into the TROODOS mountains and visiting the picturesque village of OMODHOS. You have free time to explore the village and try the sweet Cyprus wine of Commandaria. We then follow the way to Solea valley through the villages of Amiantos & Kakopetria before visiting the Byzantine Unesco church of Galata.

Leaving the mountains behind we head to the capital NICOSIA, the last divided city in Europe where you will have time for lunch (not included) or to explore the old city. Then on to LARNACA, the city of St. Lazarus, stopping for a break or visit the Church of St Lazarus. Passing the Larnaca salt lakes we head back to Paphos.
